GOUVERNEUR & ST. LAWRENCE COUNTY FAIR INFORMATION AND GENERAL RULES AND REGULATIONS

The Gouverneur and St. Lawrence County Fair will be held at Gouverneur, NY, Aug. 2nd– Aug. 8th 2010, inclusive, unless postponed by the Management for any cause or causes whatsoever which it may deem necessary for the good of all concerned. The Fair Boards hereby reserve that right.

While the financial liability of the entire exhibition is the responsibility of the Fair Association, under the direction of its President, the coordination of all details of getting the Fair underway lies with the Board of Directors and the other appointed officers and superintendents.

All rules and regulations referred to herein will apply to each and every department of the Fair. They are made a part of the conditions under which entries are accepted for exhibit or contracts for Concessions are granted. All properly being brought and kept upon said fairgrounds shall be at owner's risk, owner assumes all responsibility for any loss, damage, theft, or accident that may occur.

In the event of a conflict of general and special department rules, the latter will govern.

Express permission of any variation of these rules may be given by the Board of Managers, who are vested with the authority to give or refuse their consent, as they in their judgment believe to be in the best interest of the public welfare and to aid in the promotion and conduct of a safe, orderly and well-operated annual fair.

The disregard of any rule by any exhibitor or concessionaire will be cause to forfeit all premiums, rights, and privileges without recourse.

The Society reserves the right to refuse pass-out checks, rain checks, refunds or ticket exchanges at any of the outside gates. Please do not ask an officer or employee to issue these.

Automobiles and all other vehicles will be admitted to the grounds for a small charge for parking. They are admitted for the convenience of the owners and/or drivers and the charge paid covers this privilege only and is to be so accepted otherwise vehicle admission will be denied. Vehicles must be parked on space designated by the management and not elsewhere. The Fair Society shall not be liable under any circumstances, whether of negligence of itself, its agents or otherwise for any injury to his or her person or for any theft, loss or injury to his or her property or vehicle while within the fairgrounds. Articles left in vehicles are done so at owner's risk.

The County Sheriff's Deputies, with the N.Y.S. Police also being in attendance will police the fairgrounds.

COMPETITION DEFINED. Competition is defined, as a contest for supremacy between two or more products or articles or animals owned by separate exhibitors. Exhibitors having no competition in a class or section will be awarded one premium (the first or second as the judges think deserving) unless otherwise noted under special department rules. All premiums shall be awarded subject to the action of the Fair management.

OWNERSHIP. See State Standard 350.9 and department rules.

Every animal, all products and every object intended for exhibit must be recorded in the Fair Office and tags obtained. **No premium will be paid on any entry not made through the Fair Office.** No entry fee for Flowers, Home Arts or Vegetables. Poultry entry fee is \$.50. sheep entry fee is \$2.00per entry. Cattle entry fee is \$3.00 per entry. Entry fees must be paid at the time of making entries, by mail or in person at the Fair Office, 85 East Barney Street, Gouverneur, NY 13642. Make all checks payable to GOUVERNEUR FAIR. There is no entry fee for Junior Fair in 4-H departments.

NO refund of entry fees. Exceptions to this rule may be permitted at the discretion of the Board of Managers in cases where cancellation of classes, lack of housing or similar reasons may prevent exhibition of entry.

The superintendents will have charge of exhibits, their employees, allot space for exhibits, reject entries not complying with the rules, check entries, certificates and papers if requested, and present the classes for judging – all subject to approval by Fair Board.

All articles are under control and subject to the order of the department Superintendent and may not be removed or withdrawn without his permission.

All animals in the Open Classes (except in the Light Horse Show, Draft Horse Show, and Harness Races) MUST be on the grounds and in place by Tuesday, Aug. 3rd, 2010 at 9:00 AM except by special request. No animal may be on the grounds before Monday, Aug. 2nd, 2010 at 9:00 AM. Unless otherwise indicated in this book, they must remain for the duration of the Fair or premium may be withheld. 4-H Horses are governed by rules of the Junior Fair Book.

All exhibits, papers or any other property not called for by 9:00 a.m. on Monday, following the Fair, are left at the owner's risk, and shall be forfeited to the Fair, who may dispose of them.

The Fair electricians must inspect all electrical devices and appliances before making connections.

All materials used to decorate booths, racks, exhibits; tack rooms, stalls or pens must be made from non-inflammable material or treated and maintained in a flame-retardant condition.

No smoking, or lighted candles, lamps, matches, etc. will be allowed in stables, stalls or exhibition booths on the grounds or in the buildings.

If sufficient entries for a well-balanced show are not received in a named breed of livestock for two successive years that breed may be dropped from the Exhibitor's Guide the following year, as there must be competition for premium money for the State.

Nothing shall be sold or given away or otherwise disposed of by any exhibitor, which in any way will conflict with or which is the subject matter of any privilege or concession granted or sold by the Fair Society.

An exhibitor, when once barred, cannot exhibit at Gouverneur and St. Lawrence County Fair for a period of five years, unless, following special investigation by the Board of Management, it is deemed wise to suspend this rule.

The judges shall withhold a premium where the article or animal is unworthy of an award, except for educational exhibits. Judges are especially directed to withhold first premium to animals or articles without competition if they are not qualified for first.

All awarded or entry books must be properly signed by the Judges and returned to the Office immediately after the completion of judging.

All articles, exhibits and stock entered but not shown, MUST BE SO MARKED on the entry books by the Judge or Clerk assisting him. If disqualified, Judge should write "Not worthy" in award book.

Judges are requested to report on objects of merit and to make such recommendations as circumstances may suggest but must not award extra prizes. Special awards will be made only after the Judge and the Management agrees that such award should be made.

The decision of the Judges shall be final in all cases, except where mistakes, errors, frauds, misrepresentations, or collusion (not discovered at time the award was made), is proven. In such cases the decision of the Directors, or such referee as the Directors may select shall be final.

Any Exhibitor who in any way, whether in person or by his agents, interferes with Judges during their adjudication, or show any disrespect for them, or who violates any rule or regulation of the Society, will be barred from competition. **THIS RULE WILL BE STRICTLY ENFORCED.**

All protests must be in writing and filed at the Business office before 10 a.m. of the last day of the Fair. The Society assumes no responsibility in case of injury, loss, theft or damage to any animal, person or property from any case and upon this condition only are entries received; and the Society will not assume any liability for personal injury sustained by exhibitors, helpers, visitors, or the public. The Fair Association shall not be responsible for any accident, which may occur to or by reason of any animal exhibited at the Fair, and the exhibitors and spectators shall hold them harmless and indemnify them against any legal proceeding arising from any accident.

NOTICE: Sale or distribution of any merchandise, including printed or written material, except under license issued by the GOUVERNEUR AGRICULTURAL & MECHANICAL SOCIETY and/or from a duly licensed location shall be prohibited.

NOTE: The above rule was adopted at the 1983 convention of the N.Y.S. Association of Agricultural Fairs after a resolution to that effect was submitted by the Altamont Fair.

Under no circumstances will any person or firm be allowed to distribute or sell written materials or solicit funds from other patrons of the Fair, without regard to the content of the information being distributed or sold, and regardless of the purpose of the solicitation of funds unless one or more of those activities takes place from a booth or concession stand rented for one or more of those purposes.

The rental of a booth or other concessions stand shall be on a "first-come, first-served basis". Nothing herein contained shall be construed to deny a person the right to express their views within or without the Fairgrounds.

9:00A.M. Thursday – Jr. Fair & Open Holstein, Shorthorn & Guernsey Dairy Cattle Show – Show Ring

9:00A.M. Friday – Ayrshire, Brown Swiss, Jersey Dairy Cattle Show – Show Ring

(Milking classes start at 12:30 P.M. – both days)

AMOUNT OFFERED – APPROXIMATELY \$8,000

*****EACH BREED MUST BE ENTERED ON SEPARATE FORM*******ENTRIES CLOSE – FRIDAY, JULY 9, 2010****READ ALL RULES AND REGULATIONS****INCLUDING HEALTH RULES**

ENTRY FEES: \$3.00 per entry for individual and group classes MUST accompany each Exhibitor's entries or they will be returned. **NO LATE ENTRIES PLEASE!** Please include number of cows milking" on your entry blank. This information will be helpful in placing cattle. Also state if stall cards are to be furnished by Fair. One free parking pass per exhibitor or family will be given with entry. One additional parking pass may be purchased for \$3.00. Season parking passes are \$12.00. All parking stickers must be affixed to the vehicle at all times or a parking fee will be collected by the attendant.

NOTICE: Any dairy exhibitor who has not previously donated his milk toward the milking

parlor will be expected to do so (100%) for one year. Exhibitors who have donated 100% of their milk previously will be expected to donate 50% of it this year. All milk delivered to the milking parlor from cows milked in the stalls must be delivered in calibrated milk cans. **Milk delivered in pails or cans not calibrated will not be paid for.**

NO ENTRY FEES WILL BE RETURNED after entries are recorded in the judges' books except for lack of housing space or other legitimate reason so determined by the Fair management. The management reserves the right to limit entries to the capacity of the three (3) barns, and to return those entries received after the capacity is reached.

NOTICE: Entries are open to St. Lawrence and all other counties (in New York State). Please make entries by entry closing deadline. However, the management reserves the right to accept out of county entries in order of presentation only if there is still ample housing after St. Lawrence County exhibitors have been computed.

No additional entries to the exhibitor's application will be allowed after the closing date. However, an exhibitor may bring a different animal to the Fair (in case of necessity) than he named on his entry blank as long as that animal has the proper Health Papers. When a dry cow, already entered, becomes a milker, her class must be changed by the clerk. Please notify the clerk of the department if any entry is changed or canceled so that it can be properly recorded. **All Changes must be at Fair Office by Tuesday, Aug. 3rd at 5:00 PM.**

No entry in open class competition can be judged at any time for an animal with papers pending.

To be eligible for receipt of premiums, all animals exhibited must have been owned by the combined Farm, Family, The Firm, or the Individual exhibitor, ON OR BEFORE JUNE 1, this year.

An "exhibitor" is defined as the combined members of an immediate family or partnership whose dairy cattle are housed on the same farm. Regardless of the number of exhibitor numbers issued per family, each exhibitor may not collect more than two premiums per breed in any class, but may show as many entries as are entered. Each exhibitor may show only one entry per breed in the following group classes: Dairy Herd, Best Three Females, and Exhibitor's Herd.

COMPETITION DEFINED. Competition is defined as a contest for supremacy between two or more products or articles or animals owned by separate exhibitors. Exhibitors having no competition in a class or section will be awarded no more than (2) premiums unless otherwise noted under special department rules. All premiums shall be awarded subject to the action of the Fair management.

An exhibitor may show as many animals as he has entered in single animal classes, but will not receive more than two premiums or ribbons in a class. An exhibitor may show only one entry in any group class, except get-of sire, produce and dam-daughter. In get-of-sire, produce and dam-daughter he may show as many entries as he names different sires or dams.

NO CATTLE, SHEEP OR POULTRY MAY BE REMOVED FROM BARNs AND/OR TENTS OR LOADED UPON TRUCKS BEFORE 3:00 PM ON SUNDAY. Further-more, at the risk of forfeiting premium placing and state premium money, ALL exhibits shall be kept intact (no part of the exhibit displaced or removed) for the viewing public until that time.

Each exhibitor must have certificates of registration available for inspection by the superintendent or her assistants on arrival at the Fairgrounds in order for the animals to be eligible for show. Animals that cannot be identified by tattoo or color markings will not be eligible to show. If these papers are not available by Noon, Wednesday before the show, all entries by that exhibitor will be cancelled and entry fees will be forfeited.

Any exhibitor who knowingly enters an animal in any other than the name of the bona fide owner or owners, or shows an animal in a lot or class for which it is not eligible, will be barred from showing his entry and any or all premiums previously awarded for other classes will be forfeited.

Any artificial means of removing or remedying physical defects or conformation in exhibition animals will be considered as fraud and deception, and all animals giving evidence of such treatment will be barred for exhibition at this Fair.

Exhibitors will be expected to provide their own livestock bedding, feed, feeding utensils, pails, feeding boxes and all necessary equipment, likewise to keep the stalls and surroundings in a clean and neat condition. All litter must be deposited in the place designated by the Superintendent.

All attendants in charge of animals will be subject to the orders of the Superintendent of the Department. All animals on arrival will be stabled under her direction.

Trucks, autos, etc., cannot be parked in the vicinity of the livestock tents and barns, but must be parked on space assigned by the General Livestock Superintendent.

The Superintendent of Cattle is authorized and empowered to cause the removal from the grounds of any and all animals, (if admitted through an oversight), failing to meet the health conditions herein specified, or if so instructed by the State inspector.

The judge may at his discretion, require any cow to be milked before him in the ring.

Upon request of the Superintendent of Cattle, exhibitors must furnish animals to be used in the Youth Dairy Judging Contest.

NOTICE ON BEDDING: Shavings may be used if mixed with straw.

Space is assigned for cattle **ONLY**. No requests for extra space will be honored unless there is extra room available in the barns. Exhibitors are required to notify the Dairy Cattle Superintendent one week prior to the beginning of the fair if a significant number of cattle entered will be scratched.

To satisfy NYS Labor Department requirements for fire protection, each exhibiting family is required to bring a fire extinguisher for its own use and to be responsible for its safety.

Any exhibitor who deliberately changes signs that allot spacing without permission of BOTH the dairy superintendent and the exhibitors involved will forfeit entry fees. Their animals will be sent home immediately and the exhibitor will be barred from showing at this fair in both the current and the following year. If animals are entered in another dairy cattle show that coincides with fair week, they will not be housed in the dairy cattle barns.
